

Article**Chicago- The Alluring One!****Detail:**

Are you planning to visit Chicago for some vacation trip or some business venture? Well, if you are, then i have some of the greatest Chicago attractions for you, that you must visit:

One can do unlimited things in Chicago. If you have family or you want to take your kids to a place of their choice, why not start with a visit to the zoo. Chicago has two major zoos.

You can got to this amazing Zoo called Brookfield Zoo west of Chicago as well as the Lincoln Park Zoo that is located in Northern Chicago. Both the zoos are geared up with acclaimed zoos featuring thousands of animals.

Ok, fine, you are an intellectual kind of person and likes to know about the informative places. Then go to museums. The Museum of Science and Industry is a must see.

It is one of the largest science museums that is located in the western hemisphere. The museum is an interactive one, with a lot of hands on exhibits, so that one can enjoy and gain experience to its fullest. Take the kids with you or if if you are alone, then don't worry, become a kid at the Museum of Science.

For all the art lovers out there, The Art Institute of Chicago is a must for all of you. The Institute is equipped with an extensive collection of art that is cuddled in a very magnificent building in a great location. The so called museum plays home to some of the most alluring and famous pieces in the world. If you have a nice attachment with art, or just like art, then you must visit the place once.

Lat, but no the least, I would like to talk about the Sears Tower. It is a must visit for all the adventure lovers out there as one can witness everything, that forms Chicago, from its Skydeck. It is a breathtaking view.

So as you can see, there are a lot of things to do in this alluring city. I have only tried to scratch the surface of what the city has to offer.
